

IEEE CAS Day

Villa del Grumello, Como, Italy

March 6th, 2016

The IEEE Circuits and Systems (CAS) Society is the leading organisation that promotes the advancement of the theory, analysis, CAD design and practical implementation of circuit techniques to system and signal processing.

This CAS Day is an occasion to know the CAS Society, to appreciate its services, to meet new friends, to have the opportunity to learn new things.

AGENDA:

9:15 - Registration

9:45 - Welcome message - Prof. Franco Maloberti, U. Pavia and CAS Society President

10:15 - How to write a successful scientific paper - Prof. G. Setti, U. Ferrara

11:00 - Quo Vadis Energy harvesting: device, circuit, system and IoT application, co-design and integration - Prof. Eduard Alarcón - U. Barcelona

11:45 - From the Lab to the Market - Prof. J. Franca - CEO, Portugal Venture

12:30 - Lunch Buffet

14:00 - The CAS Society, Questions and Answers

14:30 - Ph.D. Poster Session Competition

16:30 - Coffee break

17:00 - Best Posters Award Ceremony

Ph.D. POSTER SESSION - CALL FOR PARTICIPATION

Ph.D. students are invited to apply for the Poster session competition. The poster should describe aim, innovative aspects and obtained results of the Ph.D. student activity. It does not matter the level of completeness of the work. What is relevant is the motivation, the relevance for the technical and scientific progress and the concreteness of the research topic.

The application should be accompanied by a short presentation of the advisor.

The number of participants is limited to 50. An Award will be presented to the 5 best posters.
