

facility live

the disruptive global tech company
made of people driven by passion

is now **hiring** brilliant techies
from the University of Pavia for its
GRADUATE PROGRAMME

WHO IS OUR IDEAL TRAVEL BUDDY?

- Graduates with a brilliant academic experience
- Final year students with unconventional experiences
- Applicants with < 3 years experience and an international mindset

HOW WILL WE TRAVEL TOGETHER?

Through a well-balanced programme of **training on the job**, **team attitude** and **involved learning** you will get full insights into our analysis and development units (Back-End, Front-End, Analyst, Quality Assurance)

At the end of the training period you will become a team member of the unit that you fit into the most

WHEN DOES THE TRAVEL START?

Submit your CV before the end of **March** and get ready for your career interview with our Head of Development and the HR Manager

If successful your journey in FacilityLive will start in April

If you find this appealing then please visit the
FacilityLive Graduate Programme website and send us your CV
