Master in Cooperation and Development

22nd EDITION • NOVEMBER 2018 - JANUARY 2020

A joint degree of University of Pavia and the School of Advanced Studies IUSS

Call for Applications

GOALS

The Master Program in Cooperation and Development-C&D aims at training professionals in the field of international cooperation through **a highly qualified academic and professional training**. Students have the possibility of studying in a multidisciplinary and multiethnic environment **inside one of the oldest University systems in Europe**.

Students are prepared to work in institutions like Non-Governmental Organizations, International Organizations, Governmental Bureaus, Research Centers, other Public or Private Institutions.

PROGRAM

The Master C&D is a **Second level Master Course (Corso di Master di Secondo Livello)** according to the Italian Law, namely a Post-Graduate Program fully taught in English. The program lasts **15 months** and provides **more than 400 hours** of teaching delivered by **academicians, international professionals and experts**. The whole program delivers **75 credits**, according to the ECTS – European Credit Transfer System.

November - December 2018	January - April 2019		May - June 2019	July - December 2019	January 2020
Preliminary courses on Basic Economics	Advanced Courses on Development Economics	Courses on Project Cycle Management	Courses on development issues and tools	Internship	Final thesis discussion

Across the academic year, students will also be equipped with **soft skills in team leading and intercultural communication**, strengthening their capacities in leadership, coordination and negotiation in multicultural environments.

Moreover, students will have the opportunity to have access to an online platform in which to realize collaborative learning experiences, sharing opinions, documents and didactic materials, in a **continuous workshop led by professionals** and qualified teachers.

Moreover, students will have the opportunity to have access to an online platform in which to realize collaborative learning experiences, sharing opinions, documents and didactic materials, in a continuous workshop led by professionals and qualified teachers

INTERNSHIP AND JOB PLACEMENT

The Master provides a service of tutorship for the choice of the internship and a list of around 50 available options with NGOs. The Master also facilitates contacts with International organizations.

Special attention will be also dedicated to the vocational guidance to the job searching orientation, by means of regular meetings with human resources experts.

According to our statistics, 85% of students find a job within 6 months from graduation.

ADMISSION

The master is open every year to 30 students of different nationalities graduated in any major, holding an *Italian Laurea Magistrale* or a comparable foreign degree with at least 4 years of university studies. Mastery of English is a mandatory requirement.

An application fee of 35.00 euro must be paid before application

The cost of enrolment for the academic year 2018-2019 is **8,000.00 euro**. Fees include: • tuition fee • attendance to regular program classes and seminars • tutorship internship & vocational guidance • teaching material • free access to computer rooms and libraries.

DEADLINE FOR APPLICATIONS: AUGUST 30Th 2018 13.00 CET

For application procedures go to the CDN Website www.cdnpavia.net
