

Workshop

# Trading Peasant Land

Patterns and Strategies of Land Transactions in Late Medieval Central Europe and Northern Italy

There were numerous reasons for changes of possession and various institutions defined the form those transactions took in late medieval times. The Workshop addresses the circulation of landed property in different regions of Central Europe and Northern Italy. The questions centre on structures, acting parties and their priorities.

Pavia, 22–23 November 2018

on Thursday starting at 14:30, on Friday at 09:00

Almo Collegio Borromeo  
Piazza Borromeo 8
