

SKIN SUMMER SCHOOL

9^o
EDITION

21 - 23 JUNE 2021, PAVIA

Conference President: Prof. Paola Perugini , PhD

The **hybrid webinar event**: the school combines the online and offline presence to discuss about new developments in the cosmetic world and insights into the most discussed topics.

A unique opportunity to discover **trends and advances** in science and technology exploring new formulative solutions and ingredients and progress in product testing.
