

UNIVERSITÀ DI PAVIA  
Department of Brain  
and Behavioral Sciences

Human Brain Project

We are glad to invite you at the seminar entitled:

***From neuronal classification to whole-brain  
simulations:  
testing the textbook hypotheses of  
neuroscience with computational models***

***Prof. Giorgio Ascoli***

***Computational Neuroanatomy Group  
Center for Neural Informatics, Structures, and Plasticity (CN3)  
Krasnow Institute for Advanced Study,  
George Mason University, Fairfax, USA***

**Monday, 20 December 2021**

**h 14:30**

**Aula B, sec. of Human Physiology  
Via Forlanini 6  
Pavia**
