UNISAFE PROJECT ERASMUS+ PROGRAMME

CALL FOR ERASMUS+ OUTGOING SHORT STUDENT MOBILITIES UNISAFE INTENSIVE STUDY PROGRAMME academic year 2021/22

In the framework of the Erasmus+ Programme – KA203 Strategic Partnership, and on the basis of the results and the funds awarded under the Erasmus+ project 2019-1-IT02-KA203-063421 – UNISAFE, a call for selection is published to assign contributions to take part into the UNISAFE INTENSIVE STUDY PROGRAMME.

The aim of the study programme is to train students with previous experience abroad on all the aspects related to safety and security developed within the UNISAFE project, in order to raise awareness and transfer knowledge, skills and competences. The goal is to prepare the participants to be "multipliers" of the objectives achieved through the project and to share these with the potential mobile students. At the same time, we aim at collecting direct feedback, suggestions and inputs from the primary beneficiary of all the project's activities: the mobile students. The activities will be interactive and innovative, including workshops and a mini course of Polish language .

The UNISAFE partnership (Università di Pavia, Alma Mater Studiorum – Università di Bologna, The University of Edinburgh, Universidad de Granada, Université de Poitiers, Alexandru Ioan Cuza University of Iași, Jagiellonian University in Krakow, Coimbra Group Universities) offers the following mobility opportunities:

- **3 short mobility opportunities per each partner** listed below, dedicated to students of 1st and 2nd cycle;
- Partners list:
 - Università di Pavia
 - Alma Mater Studiorum – Università di Bologna
 - The University of Edinburgh
 - Universidad de Granada
 - Université de Poitiers
 - Alexandru Ioan Cuza University of Iași
 - Jagiellonian University in Krakow

1. ELIGIBILITY CRITERIA

Applicants must fulfil the following compulsory criteria:

- To be duly enrolled in one of the partnership universities, at least until the 31st of July 2022;
- To have carried out a mobility period abroad of at least 3 months, recognised by the home institution, within Europe or in an extra-EU country; in case the mobility activity took place while the applicant was a student at a different university, the Certificate of Attendance, or similar, must be provided later on upon direct request;
- To possess a proficiency in English language of at least a level of CEFR (Common European Framework of Reference for Languages). Students will be required to communicate and discuss fluently, take part in group activities and in general to treat any topic with ease.

2. DETAILS ABOUT THE MOBILITY

The Unisafe Intensive study programme course will take place at Jagiellonian University in Krakow, Poland, from the 11th to the 15th of July 2022 (both included). The course will be considered completed and funded only if the participants will attend the full programme of the 5 training days.

Jagiellonian University, on behalf of the UniSafe Project partnership, will provide the students with a certificate of attendance including the total number of hours attended together with the topics treated. The above mentioned certificates will also be signed by the University of Pavia, UniSafe project coordinator.

3. MOBILITY GRANTS

- The mobility grant includes Travel + Subsistence for 7 days; 5 (five) full days of training + 2 (two) days of travelling, immediately before and after the beginning and finishing date of the course;
- In detail, each student will receive a travel grant based on the distance from their home institution to the University of venue (Jagiellonian University of Krakow), calculated through the [EU distance calculator](#). The sums below are intended to cover the entire cost of the trip (both ways)

Partners	Distance range	Travel Grant
Università di Pavia, Alma Mater Studiorum – Università di Bologna, The University of Edinburgh, Université de Poitiers, Alexandru Ioan Cuza University of Iași	100 - 1999 km	275 €
Universidad de Granada	2000 - 2999 km	360 €

- The subsistence sum is 58€ per day per student, aiming at covering accommodation and meals costs.
- Mobility grants will be paid by the UniSafe Project coordinator, University of Pavia, **within 45 days after the end of the Unisafe Intensive study programme**, provided that the participant has attended the study programme school for its entire duration and they are able to provide travel documents (e.g. boarding passes);
- In accordance with the rules of Erasmus+ Strategic partnership, local students from the University of venue (Jagiellonian University in Krakow) are not entitled to receive the subsistence nor the travel grant;
- The participant has to pay in advance any costs related to the Intensive Study Programme activity. The participant is responsible for their accommodation, flights, meals, etc.
- The mobility grant is a fixed amount of money that cannot be incremented under any circumstances;
- Each home university shall provide its outgoing students with insurance covering accidents, civil liability and other guarantees in accordance with its internal procedures.

4. ONLINE APPLICATION AND DEADLINE

The applicant is required to complete the online application form at the following link by the 13th of June at 12:00 CET - noon.

Incomplete applications will not be taken into consideration

5. EVALUATION AND SELECTION

The selection will be made by a joint Committee established within the partnership and designated by the Rector of the University of Pavia, which has the role of Project Coordinator.

The following criteria will be taken into consideration:

- a. The extent to which the answers provided within the application are clearly written, well-structured and coherent;
- b. A clear idea of how the applicant expects to implement and follow up with the knowledge acquired in the Unisafe Intensive study programme – how would their participation benefit their future goals;
- c. Motivation shown;

In case of equal evaluation between two candidates, the Evaluation Commission reserves the right to give priority to those applications which add to the diversity of the Unisafe Intensive study programme in terms of gender balance, year of study, and variety of mobility experience.

The Committee reserves the right to check the validity of declarations and supporting documents. False statements may lead to exclusion from the selection process and the award of the scholarship.

Each applicant will be notified about selection results and the grant in due time, via the email address provided in the application.

Selected applicants must then officially accept the awarded grant by answering via email, attaching the following document:

- **Full scan of passport with at least 6 months of validity OR National ID Card**

Finally, selected applicants must sign a grant agreement detailing the awarded grant and mutual rights and obligations concerning the assigned Erasmus+ mobility before the Unisafe Intensive study programme takes place.

6. PERSONAL DATA TREATMENT

Personal data submitted by the applicants will be used solely for application and selection procedures and institutional aims, and will be treated in accordance with the European General Data Protection Regulation no. 2016/679 art. 13.

7. PERSON RESPONSIBLE FOR THE PROCEDURE AND INFORMATION

Responsible for the administrative procedure, pursuant to Law 7 August 1990, n. 241 as amended by Law n. 15/2005 is Ms. Michela Cobelli, Head of the International Mobility Unit.
