Presenting your Design Project

Strategic Engineering Communication Series

Tuesday 03 May 2022

h. 14.00-16.00

Room 3

Facoltà di Ingegneria, Via Ferrata 5 - 27100 Pavia

Abstract – *In this workshop dr. Jolana Tlukova will lead us through the process of preparing an oral presentation of your design projects. Starting from the draft presentations you have uploaded on Kiro, you will be asked to do pair work on the project brief and concept, edit your PPT collaboratively, and present your projects in front of your colleagues. Remember to bring your laptops or another device that you can use to participate actively in the writing/editing activities.*

Jolana Tlukova is Assistant professor of English at Brno University of Technology, where she teaches courses on Professional and Academic English and English in the Construction Professions. Her recent publications in the field of English for Academic and Professional Purposes include “Teaching Technical Vocabulary at Universities: Which, How and When?”, which she published for the *CASALC Review*, vol. 2019, no. 1, 38-45. ISSN: 1804-9435.

The talk is part of the 2021-2022 course *English and Communication Skills for Engineering* and is funded by the Erasmus+ Becoming a Digital Global Engineer (BADGE) project. For more information on the talk, please contact maria.freddi@unipv.it
