APS CAZZAMALI

Via Fratelli Cervi 21,23 - 27100 Pavia

15th OF JUNE 2023

TIME: 09.00 – 12.00 AM

FIRST GROUP AT 09.00 AM

SECOND GROUP AT 10.30 AM

A day dedicated to cardiovascular and Alzheimer's prevention and cognitive and motor functions promoted by the University of Pavia, Department of Drug Science, Course of Studies in Pharmacy and C.T.F. in collaboration with the Universities of Paris and Dublin, HTN and Federfarma, Municipality of Pavia, APS Cazzamali. At the spaces set up at APS Cazzamali, in accordance with current regulations, will be carried out FREE: the measurement of blood pressure, blood sugar, oxygen saturation, motor tests, memory tests, tests for fragility, electrocardiogram. In the end, the examinations performed and advice to patients will be evaluated. The results of the screening will be handed over to the Citizens to take them to their Family Doctors for verification and final evaluation.
