## International Criminal Justice before the ICC

Selected controversial issues related to the work of the International Criminal Court will be presented and discussed:

- Court's relationship with States and the United Nations Security Council
- Court's underlying political dimension and critiques
- Legal framework for victims' participation and principles of reparation provided for by the Rome Statute and recent case law

The Course is open to students that have prior knowledge of international law

Tuesday, 3 November 11- 13 / 16 - 18
