06.00 – 10.30 PM	INTERCULTURAL AND GASTRONOMIC EVENT APS CAZZAMALI VIA FRATELLI CERVI 21-23
06.00-08.00	Introduction to a Self Defence Course
08.00-09.00 PM	Intercultural gastronomic event – 3 students (1Pavia,1 Paris, 1 Dublin) will present themselves to the Pavia’s population and why they will do a population screening as Pharmacists
09.00-10.30 PM	Intercultural activity

In preparation for the screening that will be carried out at APS CAZZAMALI on June 15 in the morning, an intercultural meeting is organized in order to inform citizens of what will be done with the presentation of important indications for health prevention and what the pharmacist can do in the territory. Since there is a multiculturalism of actors, the roles of the pharmacist in different settings and countries will also be presented. Since there are 100 citizens involved, there will also be a cultural and food and wine interaction interspersed with technical information.
